

Chitkara University — Facilities

Knowledge Base source summary compiled from official Chitkara University infrastructure, sustainability and sports sources. This document consolidates the facilities described by those sources; it is a derived corpus document, not an original university publication.

Campus & Common Venues

Official Admin & Maintenance information identifies halls, lounges, conference rooms, dining areas, Open Air Theatres (OATs), grounds, Studio 401, D'Art Gallery, Chitkara Spectacles, and other centrally managed common venues. Usage follows university procedures and booking/support processes.

Indoor Sports & Fitness

The university lists badminton courts, table tennis tables, pool tables, an aerobics/yoga centre, meditation room, carrom and chess boards, arm-wrestling setups, soccer tables, swimming pool, and gym hall.

Outdoor Sports

Outdoor facilities listed by the university include a cricket ground, football and futsal grounds, lawn tennis court, basketball courts, kabaddi ground, volleyball grounds, athletics facilities, jogging track, roller hockey facilities, hanging/parallel/climbing bars, and an open gym.

Learning & Academic Infrastructure

Chitkara's infrastructure information describes state-of-the-art infrastructure for research and learning, including academic venues and maintained computer laboratories. The Admin & Maintenance site also provides processes for academic venues and maintenance/demand requests.

Accessibility & Inclusive Infrastructure

The university describes tactile paths, accessible signage and parking, ramps with railings, lifts with Braille-enabled switch panels, a wheelchair-accessible golf cart, and pedestrian pathways.

Safety & Security

The university's Inclusive & Safe Campus information states that approximately 1,000 CCTV cameras are installed across campus with 24-hour monitoring and that male and female security guards provide 24×365 campus security.

Green & Recreation Spaces

Campus information includes grounds and green spaces, Solar Lounge areas with solar-powered charging, tree houses, vertical and terrace gardens, and smaller lounges designed for relaxation and student use.

Student & Campus Support Facilities

The official Admin & Maintenance Facilities section lists Dew Drop facilities, pantries, a plastic-ban policy, girls-inclusive campus information, and waste-management-related facilities/processes.

Health & Well-being

The university's sports and campus sources identify fitness, yoga, meditation, swimming, gym and other wellness-oriented facilities. A separate official university health-facilities document can be retained as an additional source for medical/health infrastructure.
